

## Squaw Creek skiing area set

The Linn county ski hill program at Squaw Creek Park is set to open when adequate snow cover becomes available.

The ski hill is one of several efforts the Linn County Conservation Board has been making to improve winter recreational opportunities.

The lodge at Squaw Creek will be used as a ski chalet to support the ski program. The lodge features a concession area and a large double fireplace. It is heated with an electric furnace and a hot-water system.

The ski hill is especially adapted to beginning and intermediate skiers. It includes an 850-foot rope tow. There will be a \$3 per day charge for tow tickets.

Hours of operation will be: Noon to 10 p.m. weekdays, 10 a.m. to 10 p.m. weekends and holidays.

Inquiries regarding whether the

ski hill is in operation should be directed to the Squaw Creek ranger at 377-5954 or the Conservation Office at 398-3505.
