SKIING TODAY AT NOBB HILL

FOREST CITY, IA. — The Nobb Hill ski area near here will be open today and Sunday for the first time in three years, owner Odell Forslund said Friday.

The area, which has three runs and an electric rope tow, has six inches of snow base and skiing conditions are "good," Forslund said. The area wasn't open in 1963 and 1964 because of a lack of snow.

The ski runs are located three miles east and one-half mile south of Forest City, near the entrance to Pilot Knob State Park.
