

WINTER SPORTS AREA NEAR CARO	hours.	newspaper, radio and TV.
A new winter sports park will be opened in the Thumb area. Galleu Lee-tow winter sports area and located on M 46 either 11½ miles west on M 53 or 3½ miles east of M 24, it will provide near by skiing to many who previously had to drive several	A tow especially for beginners will be available. Ski instruction along with rentals, warming shelters and hot lunches will also be available.	PLANT TREES IN STATE FORESTS
DON'T GET UP NIGHTS	Tobaggan run and ice skating rink are now under construction and are expected to be completed by January 1st.	Michigan's public lands received another longranged boost this fall for multiple use when Conservation Department and inmate labor crews planted some 9.642,000 young trees on 12,172 acres in 15 northern states forests.
It takes just 50c and 12 hrs. to start relief-or your money back at any drug store. When functional kidney disorders cause getting up nights, scanty flow, burning, back-ache, leg pains, dizziness take surprising BUKETS 4-day treatment. Acts fast to increase and regulate passage. NOW at —	Lee-tow open this year with two rope tows and runs up to six and seven hundred feet. Night skiing is anticipated but it is not definite at this time. This park will be open only weekends and holidays for 60-61 season.	With optimum timber production, wildlife populations, and recreation use as the goals, some 3,148,00 seedlings and transplants were planted on 3,405 acres in seven upper peninsula state forests. Another 6,494,000 trees were planted on 8,767 acres in eight state forests of the northern lower peninsula.
CORNER DRUG STORE	Since there will be no snow machine at Lee-tow it is suggested that people interested in visiting the park, watch for posted slop reports made available by	Red pine seedlings made up the bulk of the state nursery plantings. Lesser amounts of white pine and jack pine seedlings and white spruce transplants and seedling rounded out the stock used.
