

Petoskey Ski Tow Now Operating

The ski tow at Ski-Away Hill, Petoskey Winter Sports park, went into operation this afternoon and will operate today and tomorrow according to Jack Behan, president of the club.

The tow will run from 1 to 4 p. m. today and tomorrow Behan said.

Freezing snow Friday made a base of three to six inches and the weekend fall built up a good six-inch blanket on the slope.

Night operation of the tow will be started in the near future Behan said pointing out that work had to be done on the lights first.
