Extension Natural Resource Agent

## 4-H Sports Day

The 18th Annual 4-H Winter Sports Day will be held Sunday, February 20, from 1 to 4 p. m. at the Mussatti Ski Hill, on US-2 just east of Bessemer and north of the road that leads to Anvil Location. The rope tow will be in operation and there will be winter sports contests of all kinds. Current City enrolled 4-H club members will be eligible to compete in the contests — they are reminded to bring their skis, toboggans, flying saucers and inner tubes. We ask all 4-H club leaders to notify our office by phone or postal card as to the approximate number of boys and girls from their clubs who plan to attend so the refreshments committee can do a good job of providing sufficient eats and drink.

This annual event has always been a highlight of the 4-H winter project season and the 4-H council, sponsors of the outing, assures all who attend a pleasant afternoon of winter fun. Shelter with heat will be available at the hill site.
