

NEW ALLEGAN COUNTY SKI AREA: Michigan's newest winter sports area, Carousel Mountain, is rapidly taking shape in the heavily-wooded Lake Michigan dune country between Holland and Saugatuck in Allegan county. Photos show work in progress on the year-around lodge building (top) and the double chair bar lift (below). Other facilities for skiers will include two T-bar lifts and several rope tows, a snow machine and floodlighted slopes for night skiing. Owners Norman Archer and Donald Martin also are planning a 25-unit apartment building, swimming pool, tennis court and golf course for the development.
