

Recreation spot is Lions gift

MAPLE CITY — For the past five years the Cedar-Maple City Lions Club has been concentrating its efforts in the development of the county-owned Miles Kimmerly Recreation Area.

The club has been instrumental in acquiring for the recreation area a ropeway for the ski hill, picnic shelters, ball diamonds, tennis courts and camping areas among other improvements. It also sponsors a Boy Scout Troop.

To raise funds, the club sponsors a weekly bingo operation and yearly white elephant auctions and broom sales.

The club plans to continue development of the recreation area as its major project.

Membership is open to "any male person of legal majority and of good moral character and good reputation in

his community," LaVern Van Horn, membership chairman says.

The club meets the second and fourth Monday of each month at the recreation area skiers' warming house.

Officers elected last February are: Kenneth Goeky, president; George Hayes, vice president; Alan Caron, secretary; and Basil Jankowski, treasurer.
