

Where to Ski

LIFTS: "Poma" and "Jill" are aerial lifts which allow runs along with both sides on the ground. "T" bars may be ridden singly or two abreast, again with one on the ground. "Drops" are roped and close to as they move down. "Chair" lift the skier off the ground.

WHEN OPEN: "Kip"—"AW" all week. "W" weekends, "F" holidays and school vacations. "N" night, "M" Monday. "T" Tuesday, "W" Wednesday.

VERTICAL RISE: All figures supplied by area operators and not accepted by this reporter.

TOP NOTES: This is the adult rate on weekends and holidays. The area features a variety of lower fees for minors, weekdays, night skiing and in some cases discounts for tickets covering several days or longer.
