SKI HILL OPERATES SATURDAY - SUNDAY

The Kewaunee Ski Hill located on the Dana Farm will be in operation on Saturdays and Sundays from 1:30 to 5:00 p.m. These are the scheduled hours of operation for the tow. The tow has been operating for the past several week ends, weather permitting, and has been used by many ski enthusiasts.

The group that has been instrumental in developing this recreational facility for Kewaunee county met recently and named a slate of officers and directors to take over the operation of this project. They are: President: Cletus Maccoux, Kewaunee. Vice President: Carl Peterson, Kewaunee. Secretary: Harold Fager, Luxemburg. Treasurer: Robert Classon, Kewaunee. Publicity Director: Mark Von, Kewaunee. The Directors include: Arnie Hessel, Kewaunee; Charles Schmidt, Kewaunee; Roland Holts, jr., Algoma; Pete Reis, Casco; Bill Nimmer, Luxemburg.

The group would like to express their thanks and appreciation to everyone who have made either financial contributions, or contributions of materials or labor toward the development of this winter recreation facility. Skiing enthusiasts from outlaying areas have been on the hill and have expressed their views — namely that it is very favorable insofar as the site and facilities are concerned.

The group felt, too, that in order to meet some of the operating expenses incurred this year a charge should be made for the use of the tow. This was set as 50c per adult and 25c for pre-high school children.
