# 'Y' Ski Club Announces Program

Donn Gurney, president of the Madison "Y" Ski Club, today announced a wide variety of activities for the coming season.

Just under way is a five-week course of ski conditioning exercises designed to help skiers get their muscles in shape. The class meets on Wednesday nights at 8 at the Central YMCA and is being taught by Mrs. Russell Pye, Women's program co-ordinator. Classes are open to all Madison Area skiers. A fee of $3 for "Y" members and $5 for non members is being charged.

The Madison "Y" Ski Club will again operate its program at the Twin Valley Hill west of Middleton. Two and possibly three tows will be in operation. This year's tow had been doubled in length over last year and now carries skiers all the way to the top.

From there half a dozen different runs are possible including a gentle slope for beginners coming around the south and west side of the hill. Old "Stumpy" will prove challenging to the most experienced skiers. A portable tow will be set up on the east slope of the hill for use by children and beginning skiers.

Ski instruction for club members will begin on Saturday afternoons at 2. Skiers must be signed up each week by calling the adult program office at 256-7721 by Friday afternoons.

A minimum of 10 persons will be needed to form a class. A chalet is located at the Twin Valley Hill where skiers may warm up. Plans are being made to serve light lunches on weekends.

The Twin Valley Hill has had lights for a number of years and several more have been added this year. During the week, the tow will be in operation from 7 to 10 p.m. On Saturdays tow hours are 11 a.m. to 4:30 p.m., and on Sunday from 1 p.m. to 4:30 p.m.

Membership in the Madison "Y" Ski Club is open to all Madison area skiers, 16 years of age and older. Individual membership is $15 for "Y" members and $20 for non members. Family memberships, which include the children 15 and under are $20 for "Y" members and $30 for non-members. Tow fees for the season and club badges are included in both memberships.

Membership applications may be secured by calling the adult program office. Again this year the club will sponsor the showing of a well-known Warren Miller production. This year's film is entitled "The Skiers" and is a 90 minute full color presentation starring the world's foremost Olympic skiers.

It will be shown at West High school auditorium on Friday, Dec. 5th, at p.m. Tickets at $1.25 each are available at all sporting goods stores and the Central YMCA.

Later in the season the club will announce its schedule of trips, including a special jaunt to Colorado during the spring vacation.
