

MORE DONATIONS

The Cedar-Maple City Lions County Recreation Area has received several more generous gifts. James R. Johnson, Empire Case Farm dealer, and Irwin Beck Jr., Lion deputy district governor from Empire, put the ski tow tractor in order with new brakes and a tune-up; and Lion president, Fred Neumann, has received a check for \$300 from the Leelanau County Prospectors Club to pay for the new tow rope.

The hill will be open Saturday and Sunday, free of charge, but the ski tow operation will begin at a later date. The Lions supervise the operation and everyone is welcome.
