

City Will Help Ski Fans Enjoy Fun

Add skiing to the growing list of sports coming under the wing of the Parks and Recreation Department.

“President Bill Jacobus of the Omaha Ski Club has promised adequate instruction at Spring Lake and Fontenelle Parks when we get enough snow,” Athletic Director Chip Bowley said Saturday. “Ski enthusiasts should watch The World-Herald for further announcements.”

The City, it was announced, will erect the ski tow at Hummel Park early this week. The Hummel Park run, it was emphasized, is for experts.
