

# Winter Activities To Start Sunday at Bearskin Ski Hill

The Big Bearskin Lake Ski Hill will open Sunday afternoon for the 1947-48 season, Frank Erlitz, owner and operator, has announced.

Improvements during the past year on the hill include lengthening the run and covering it with snow. Snow removal equipment was purchased during the last year so that the mountain will be accessible at all times. An instructor will be at the ski hill on Sundays.

The ice tobaggan slide is ready and faster than ever, Mr. Erlitz reports.

Ski hill will be open every afternoon and evening during the holidays.
