# Winter Sport Arena Named At Whitehall

Whitehall, Wis.—(Special)—Viking Valley has been chosen by the board of directors of Winter Sports, Inc., as the name for the ski hill and winter sports property located near Whitehall and sponsored by the business and professional men of the city. The name was suggested by Thomas Hegge and Dallas Erickson, local University of Wisconsin

students, who collaborated on the suggestion.

Much work has been done on the new "winter wonderland" and with the arrival of more snow it will be ready for the winter sports enthusiasts. The warming house is ready and the ski tow will be completed this week. Electric lights are being installed for night skiing. The scaffold has been completely overhauled and is in first class condition for the Central Ski association tournament which will be held January 30.
