

## ***Sports in the Snow***

If you still have surplus energy after shoveling your walk today, this will be a perfect weekend for winter sports. Here are some suggestions.

**Skating**—The city has several park rinks which will be kept clear of snow, or if you don't mind the drifts, try Fox river.

**Skating**—With plenty of snow and just cold enough to keep that white blanket dry, this will be a perfect weekend. If you don't work Saturday and yearn for some social life on the side, try the ski resort at Wausau. If not, you can have just as much fun in Waukesha county, for jumping, there's the ski club slide at Oconomowoc, if you're lazy, there are ski tows at Eagle Springs and Holy Hill, if you don't mind using your own legs uphill as well as down, there's a fast ride at Merrill Hills country club, and closer to town, at Baird's hill and Tower hill.

**Tobogganing** — Any of the above hills will fill the bill. If you have no toboggan, call Rec Director Guy Wertz at the city hall and rent one for a small fee.

**Sleigh rides** — Just right for a Saturday night party. Know any farmers?

**Ice boating** — This is one of Pewaukee lake's greatest sports, but the snow may be too heavy this weekend.
