

Budding jumpers use Wilson's hill

... Staff Photo

With the rope tow now operating at Lions Park in Merrill, young skiers mounded snow to create a miniature jump on Wilson's hill to add excitement to their downhill activities. Snow on the skiing and sliding slope is already pounded down and conditions are

fast. Park Supt. Andy Olivotti agreed recently that several inches of new powdered snow are needed. The rope tow, four city skating rinks and warming houses will be open daily from 1 to 4 and 6 to 9 p.m. during the Christmas school vacation period.
