

Twin Valley Will Be Open This Weekend

The Twin Valley ski area will be open this weekend, weather permitting, and the ski tow will be in operation for the convenience of skiers.

The area will be open to ski enthusiasts from 12 to 4:30 p. m. Saturday and Sunday. A large crowd of skiers took advantage of the excellent conditions at Twin Valley last week.

Twin Valley is located four miles west of Middleton on highway 14. Snow reports and information regarding the area can be obtained by calling Gifford 5303R or Fairchild 8822.
