

Rundy:

No doubt many of your readers will be glad to know of the Grand Opening of Twin Valley this week-end.

Anything you do to help us promote downhill skiing in this vicinity will be much appreciated.

Get your skis waxed up and come out. We have a nice soft spot picked out for you.

Very truly yours,

Leroy R. Geisler

The Twin Valley Ski area is only about 9 miles west of Madison. Skiers can reach the area by taking Highway 14 about 4 miles beyond Middleton to a marker on the highway, turn left until they come to the Twin Valley Schoolhouse, then turn right to the Herman Haak, Jr., farm where the ski area is located. Heated shelter house is available for your comfort. Food and soft drinks are sold on the area. All facilities are available at reasonable rates. Tow is in operation on Saturdays and Sundays, whenever snow conditions are favorable for skiing, from 12 to 4:30 p. m. For snow reports and other information, call G. 5303R or F. 8822.
