According to Carol Derham, Grand Geneva's ski director, "The hill will be ready to open when the weather permits. With all the improvements that have been made we're looking forward to an exciting ski season.

"The Mountain Top at Grand Geneva is perfect for family skiing. There are runs for all skiers, from those putting on skis for the first time, to experts," added Derham.

Ten kilometers of scenic cross country trails are also on-site. Cross country equipment rental is $6 for adults and a trail pass is $4. Grand Geneva also offers money-saving ski and spa overnight packages. Details can be obtained by calling the resort at 800-558-3417.

Other amenities include an on-site airport, riding stables, and a comprehensive spa and sport center offering a wide variety of luxury services including massages, facials, body and bath treatments, and special swiss showers as well as a 60-foot junior olympic lap pool, indoor and outdoor tennis courts, racquetball and volleyball courts, and a cardio-theater work-out studio.

WORDS O' WISDOM

Most people who have been done a favor consider it an opportunity to show their incorruptibility rather than their gratitude. This is not only considerably cheaper morally,but it sometimes increases their pride so much that pretty soon they look down on their benefactor.
